### **COMPANY OVERVIEW**

Founded in 2014, ERES Companies is one of the fastest growing and unique real estate firms in the world. Unlike other commercial real estate service providers, ERES provides a truly vertically integrated approach to meet a multitude of real estate needs seamlessly controlling projects from start to finish. Leveraging the comprehensive power of our service lines, we are enabled to research, analyze, and provide the most efficient, cost-effective solution available for our client's real estate investments. This translates to peace of mind in knowing that their needs, timeline, and budget are being considered at every phase of their project. Our collective commitment to excellence, hard work, and creativity has resulted in a rapid firm expansion that has led ERES to complete thousands of successful projects both domestically and internationally, represent over five million square feet of commercial space and more than \$1 billion in real estate value, and manage over 6,500 multifamily and industrial units.

Our sophistication and expertise, combined with our small company values and client-centered approach, have provided us opportunities to partner with best-in-class, global corporate clients, including several Fortune 500 companies, in solving some of their largest and most challenging real estate issues. ERES is currently comprised of over 150 dedicated professionals working tirelessly to provide the finest all-inclusive real estate services in key secondary and tertiary markets across the globe. Always opportunistic about expanding operations, we have nine domestic and international office locations in Denver, CO (headquarters), Sarasota, FL, Williston, ND, Bozeman, MT, Fort Worth, TX, Houston, TX, Midland, TX, New York, NY, and Neuquén, Argentina.
